

All it takes is
**one tiny droplet
or particle**

**Help us limit the
spread of infection by:**

Letting us know if
you've had a fever,
rash, upset stomach,
diarrhea or vomiting in
the last 24 hours

Using tissues or the
inside of your arm to
catch your cough or
sneeze

Using our hand
sanitiser or ask for
directions to our
hot water and soap
supply to keep your
hands clean
